News in the marketplace

September 2013

Exact Flooring thank all its clients for there loyal support

What has happened in the market Place

New Products -Trio Lock Vinyl Floors have seen its debut in the market place , this entry level 4mm vinyl floor is definitely here to stay. The quality of the marvellous price vinyl floor is not be taken lightly

Blinds now available to you-After long confederation did Exact Flooring entered into the BLINDS sales and installation industry . After intense market research we found solid manufactures and suppliers that can deliver quality products that our clients have enjoyed in the past 8 Years. Need more info please [MAIL ME](#)

Travilock Vinyl Floors-Not to be prejudice but I must amid that the new locking system on the Travilock Allure Vinyl floor range makes them leaders in the market, that's not all they have extended the range with Travilock 220 (220mm wide) nice!!!!. Don't forget this is the only vinyl floor range that have the **IN Register embossed** wooden look alike surface. Also antistatic approved (Below 2% standard allowed ratings)

Customized wooden door and window for more information please contact —Corneli whom has 20 Years experience in the field —Definitely the right person to contact **0790181678** or email wow@exactflooring.co.za thank you her

Silk Wood orders (Wood treatment products for windows doors and decks) are picking up, for more information wow@exactflooring.co.za

For any other information—I am only a email away
